It is to afford an opportunity to turfmen to buy good race horses for the revival of the sport on the New York tracks that August Belmont has arranged to bring over fourteen of his yearlings from France to be sold at public auction in July. Mr. Belmont will dispose of a similar number of yearlings to be sent on from the Nursery Stud in Kentucky at the same time. The yearlings in France will sail for this country on the Minnewaska on April 29. Two colls and a filly heavily engaged in French stakes will be left behind. In speaking of the plan Mr. Belmont said that the entire lot of yearlings would be sold without reserve. The highest bidders will get them and doubtless some of the colts and fillies will develop into high-class two-year-olds. Mr. Belmont's American racing stable this year will comprise eighteen two-year-olds, five three-year-olds, three four-year-olds and they was a stable this year will comprise eighteen two-year-olds. Rev. Walter R. Laidlaw, ex-secretary of the Federation of Churches, has issued a note of warning to the proprietors of the race tracks in commenting on the proposed revival of horse racing at the local tracks. Referring to the Paul Shane case, which was brought before the courts to test the validity of the Agnew-Perkins law, Dr. Laidlaw is quoted as follows:

quoted as follows:

"The constitutionality of the law is not affected by the decision in the Shane case. If the race track men could fix up a case looking toward the nullifying of the law we can still fix up one that will still hold them responsible for gambling on the tracks. We are ready to do this at the first symptom of gambling at the tracks. If the owners and managers think they are entirely relieved of responsibility under the law by the recent decision in the lower courts, they will resume operations at a great risk.

"We will match decision."

a great risk,
"We will watch developments with care and a
great deal of interest. The oral betting between
friends, or otherwise, is just as demoralizing as any
other kind. If there is a symptom of betting at
the tracks we will be on the job again, and do our
best to place the responsibility where it belongs and
direct our efforts toward closing them up again."

COUNTLESS DIES AT LEXINGTON.

Word comes from Lexington that John G. Greener's good horse Countless died there yesterday from the effects of pneumonia contracted in shipment to Kentncky from Charleston, where he was wintered. Countless was a chestnut horse by The Commoner—Oleflant, foaled in 1907. As a three-year-old he won the Saratoga Cup of 1910, when that famous fixture was last run. In this race he defeated Olambala, after his owner had sold that horse to R. T. Wilson. Countless afterwards ran many sparkling races in the best of company. He was equally at home at sprinting or staying and possessed an ability to run in all sorts of going. His racing record is as follows:

KENTUCKY TRACKS STILL WET.

Operations at Louisville.

Operations at Louisville,

Louisville, Ky., April 11.—Col. M. J. Winn and Judge Charles F. Price, of the New Louisville Jockey Club, have arrived on the other side of the Atlantic, and they are now in Paris, where they will remain for several days visiting the raccourses at Longchamps, Anteli, Maisons Laffitte and elsewhere for the purpose of studying the French pari-mutuel methods. Colonel Winn has devoted much study to the perfecting of this system and is hopeful of picking up in France some points which he may adopt in the handling of the machines at Churchill Downs. Colonel Winn and Judge Price are being shown around Paris by Mr. Hitchcock, who is connected with the French Jockey Club. They will return to Louisville about May 1. In the meantime Colonel Winn's managerial duties at Churchill Downs will be looked after by Harry Breivogle, who is his chief assistant at Juarez.

George Swain, formerly a jockey of considerable repute and an occasional rider of long shots, has arrived from St. Paul to await the opening of the Downs meeting on Saturday, May 10. Tairty-two degrees below zero, Swain explained, drove him out of the northwest, but it is more likely that the lure of the race track drew him this way. He is now not far from six feet tall and, while he has not taken on much flesh, he is too heavy to ride in races. He says the steeplechase game does not appeal to him. Swain would like to pick a long priced horse in the Derby, but after taking a look at Hawwhorn, he said he would have to string with the big son of Hastings.

A letter received at Louisville announces that the starter on the New York tracks is to be James Milton. Mars Cassidy is under contract to wield file flag in Kentucky. Under no circumstances would Colonel Winn and Mr. Hachmeister be willing to part with his services. Occasionally Mr. Cassidy's work has been criticized, but day in and day out it is uniformly excellent.

While more than 100 horses were worked through two that went fast enough around the "dogs" to be caught by the clockers.

Lew Marion has decided to take his Kentucky Derby candidate, Prince Hermis to Lexington in order to give that good-looking chestnut colt a race or two before he competes for the rich Kentucky event to be decided on Saturday, May 10, at Churchill Downs, His other Kentucky Derby eligible, Sam Hirsch, will not go to Lexington. He tried this son of Electioneer there last season and the youngster acted as if he did not like that track. Both these colts are training to the perfect satisfaction of Marion and he really believes they will beat more than beat them in the big race here this spring.

faction of Marion and he really believes they will beat more than beat them in the big race here this spring.

Jockey R. Goose has been engaged by John W. Schort to ride Froglegs in the \$10,000 Kentucky Handicap to be run at Douglas Park on the opening day of the coming spring meeting at that track. Monday, May 26. Goose rode Hawthorn twice last season. He was on C. F. Buscheneyer's \$10,000 gelding when Helios beat him in the Harold Stakes at Latonia and he won a purse with the noted gelding at that same meeting. He is one of nine riders that have ridden Hawthorn in races. In the last race the son of Hastings ran at Latonia last fall, when he beat Caugh Hill and Cash on Delivery, as well as other older horses, he was ridden by C. Peak. Loftus won on him in the Fort Thomas and Prospect Stakes and two other races. C. Turner was up when Grover Hughes beat him in an allaged race at Churchill Downs last fall, and C. H. Shilling rode him when he was beaten by Forward on the same track last spring. Ganz rode him in the Cincinnat; Trophy, the only race in which he was unplaced, while Gross had the mount when he won the Yncatan Stakes at Juzzez, and Fain piloted him to victory in the Bashford Manor Stakes here. In his other races he was ridden by Molesworth, who won the Iroquois Stakes at Lexington and five other races with him. He aparently will run well for any rider, as six of the lot ride a horse in Just the same way.

George C. Bennett, at one time one of the most prominent of southern turfmen, and in whose colors Abe Frank ran in the Kentucky Derby of 1902, is one of the winter favorites for that event, was a visitor here yesterday. It was the first time he had been at the Downs since Meridian won the Derby in 1911, he having been an absentee last season. Mr. Bennett has figured but little on the turf in late years. His only thoroughbred possessions now are the broodmares Arthesia (the dam of Moller) and the great Dishabille, dam of Negligee. He also still owns, with Henry McDaniel, the useful mare, Loween, which raced last winter at Juarez and is now at the Coeur d'Alene track in Idaho, with the remainder of the McDaniel string. Mr. Bennett is so impressed with future racing prospects that, while he did not so state positively, he intimated that he might come back stronger as an owner. At one time he had one of the strongest strings in the country, when Henry McDaniel raced and trained for him, in addition to Abe Frank, such other noted stake winners as Miss Bennett, Ed Austin, Aladdin and Little Scout. He and this noted trainer have been connected in a racing way for something over fourteen years.

A. B. Spreckels' Juarez winner, Manson, which was seriously sick upon his arrival here from Juarez a few days ago, is now out of danger and trainer W. C. Carroll expects to be able to commence working him again as soon as the track gets good at the Downs, All of the Spreckels horses are doing well and his best youngster, Galar, looks unusually good. Trainer Carroll thinks there is even more in the youngsters he now has in his care than they showed at Laurez.

Dr. C. Cann has fired Galley Slave for trainer Thomas Carroll and that six-year-old gelding will not do much racing till late in the summer or next fall. Carroll's Kentucky Derby eligible. Weyanoke, is doing well at the Downs. While he is a doubtful starter in the big race, his owner expects him to be useful around the Louisville and Latonia tracks this season.

be useful around the Louisville and Latonia tracks this season.

"Lige" Brewster's colt, J. B. Maylow, worked yesterday morning through the mud as if he fancied such going. This made an impression upon a number of horsemen, who are unanimous in the opinion that he is a really good colt on a fast track. Brewster will not take this youngster nor any of his string to Lexington. He would go, but the son of Sir Wilfred is not engaged in the Breeders' Futurity. However, he is in the Spring Trial, at Douglas Park, the Juvenile at Churchill Downs and the Harold and Cincinnait Troohy Stakes, at Latonia. Brewster thoroughly believes that he has never trained a two-year-old that had anything on this promising youngster.

MARLBORO LAYERS GET A DRUBBING.

Rain Causes Continued Cessation of Training Formful Racing Marks Closing Days of Maryland Half-mile Track Meeting.

Half-mile Track Meeting.

Washington, D. C., April 11.—The layers of odds at Marlboro again received a drubbing today as the borses continued to run to form. The winners embraced four favorites and two other horses that were well backed.

The chief racing feature was the Baltimore Handicap Steeplechase over the short course and Tin Donohue, the former well-known steeplechase rider, furnished the winner in Jesuit, which led from start to finish, but at the end was forced to do his best to stand off the closing runs of Kyrat. The latter was over restrained in the first part of the race and made his bid too late. He made up almost twenty lengths in the last three furlongs.

The mile and a sixteenth race was won by the well-backed favorite, 0tilo, which ran in front all the way, but his win was a lucky one for Wood Dove was by far the best and was poorly handled throughout the race. During the first part of the race she was in a pocket, then on the first turn she was shut off and all but fell. Yet at the head of the stretch she was at 0tilo's head. Just when she looked like the winner, she faltered as a result of her early efforts.

Although the meeting at Electric Park, Baltimore, is a long way off, as it will not be held until the latter part of May, owners are already making preparations to ship there after this meeting. N. B. Davis, J. M. Milburn, J. Kelly and several others will ship to that track Monday. It looks as if the greater part of the horses racing here will be sent there and that few will be shipped to Canada.

The present meeting, which has been the most successful ever conducted at Marlboro, will come to an end with the running of tomorrow's races.

TRAINING NEWS FROM LEXINGTON.

Lexington, Ky., April 9.—(Special correspondence).

—This morning was cold and the track was heavy as a result of rain which was still falling. Trainers were content to give their charges slow work.

J. Tandy Hughes sent along several of his horses, Supple went a half in 156, breezing; Polls, three-quarters in 1:28, cantering; The Grader, three-eighths in 142, breezing, and Transport a half in 155, breezing. It was a good blowout for all of them.

The only member of T. C. McDowell's string to work was Ellen-a-Dale, which went a mile at a two-minute clip.

Walter Grater sent Ethelda and Old Proverb along for three-quarters at a two-minute gait.

Ed Moore sent his filly Baby Sister three-eighths in 141 and Bessle Latimer the same distance in 130, The latter appeared to be partial to the muddy going.

J. 1. Smith sent Crome de Menthe a mile in 1:50, which was extra good for him in this sort of going, which he is supposed to dislike.

Jack Baker sent his Breeders' Futurity candidate, John Gund, three-eighths over the hill in :39. The work was done handily.

J. C. Milam had Morristown cover a half in :54, and it looked as if the horse had his old-time speed. Merrick, in the same stable, went seven-eighths in 1:35. He appears to have wintered well and is going along soundly.

Rash and Grif, from the Gallaher stable, went a mile together in 1:57. Both were only permitted to canter and Grif acted as though he wanted to run. Flex cantered a half in :55, and Rosemary was sent five-eighths in 1:11. She appeared to dislike the heavy going.

Woodford Clay was out to see trainer Brooks work his Breeders' Futurity candidate, Breaker, He went a half over the hill in :25% and :53, handily. This colt is a brother to Ocean Bound and Mr. Clay is expecting great things of him. Magneto, from the same stable, was sent a mile with good weight up in 1:49. It was the best work of the morning and the colt pulled up decidedly lame.

T. P. Hayes asked Jabot and Earl of Savoy to do a slow mile. They went the distance in 1:52, cantering.

W. J. Young sent Hickey Bros.' Oaks candidate, W. J. Young sent Hickey Bros.' Oaks candidate.

W. J. Young sent Hickey Bros, Oaks candidate, Old Woman, three-quarters in 1:20, handily, J. Hicks was in the saddle. This filly is one of the most improved racers in training here. She acts as if a considerable route would be to her liking.
W. M. Wallace sent R. P. Marshall''s Oaks dependence. The Widow Moon, seven-eighths in 1:35, cantering. She liked the going and Wallace is counting upon her as a sure starter in the Oaks.

following the running of the Latonia Derby. Trainer Trevey has had some experience on eastern tracks. He thinks Hawthorn is just the kind of a horse that will run phenomenal races on a track like Belmont Park, with its reverse way of running. Trevey was with J. W. Fuller, the Texas turtuan, when the noted Tokalou won the Brooklyn Handicap, beating Dandellon and The Picket, in 1906. It was in that race that this great trainer lost all the superstition he possessed, as Tokalou's number on the program that day was thirteen.

Trainer R. C. Benson has written a friend here that he will be at the local tracks within the next few days in search of several good men and boys which he desires to put in charge of the yearlings that James Butler purchased from the J. R. Keene estate recently and which are still at Castleton Farm. Benson is compelled to go to Kansas City to straighten up some business affairs there, but he will return to Kentucky at a very early date to assume personal charge of these valuable colts and fillies. It is too early as yet to decide where he will have them broken and first handled, but it is probable that he will select either one of the other of the local tracks unless he concludes to ship them during the summer to Saratoga or to the Empire City course.

during the summer to Saratoga or to the Empfre City course. Hundley Baker is in the market to buy a good horse or two this spring for himself and his racing partner, L. H. Adair. He will always regret that he did not purchase Grover Hughes last fall. He could have secured the speedy sprinter for \$3,800 and he offered Dillard Hill \$3,500 for the son of Handsel and \$300 more out of the first purse that performer might win. The owner of Grover Hughes wanted the whole \$3,800 immediately in cash and Baker seemed to think that the refusal to accept his terms was acknowledgement of doubt as to the early winning of a race. This spring the first time a good horse shows up and he is on the market he will pay the price asked without any controversy if the performer meets his ideas of what a good horse should be.

COLONEL COOK RACING WELL

HORSE TAKEN OUT OF SELLING RACE BY C. C. SMITHSON SHOWS IMPROVEMENT.

Wins Second Purse for His New Owner at Norfolk -Wooden Shoes Scores in Impres-

sive Fashion.

Norfolk, Va., April 11.—Four favorites scored at the Jamestown Jockey Club's track this afternoon and form followers recouped some of the heavy losses they had sustained during the past few days. Speculation was heavy during the afternoon and driving finishes in three of the races aroused much enthusiasm. Colonel Cook, the colt that C. C. Smithson took out of a selling race not long ago, scored another victory for his new owner. In his two starts in the Smithson colors, Colonel Cook has shown improved form and it looks as if he might develop into a highly useful plater. Colonel Cook was a frequent winner for his previous owner, but the horses he has beaten in his last two efforts are much better than he met before.

Wooden Shoes showed a splendid performance in the opening race, a dash of four and a half furlongs for two-year-olds. He was slow to get into his stride when the barrier was sprung, but when once settled he gained steadily on the leaders and got up in time to beat Florin a neck. The pace was fast all the way and the winner is undoubtedly a colt much above the average.

Cloud Chief, the Star Shoot colt that proved a disappointment so often last season for Woodford Clay and this spring for William Garth, finally landed a purse. He was in with an ordinary lot of horses in the third race and when J. W. Hedrick bid \$500 on him after his victory, Garth quickly retorted "You've bought a horse."

Calliph furnished the surprise of the afternoon. He bounded to the front when the start came for the closing dash and was never headed, winning by a length and a half.

Jockey Butwell was conspicuous during the afternoon, He rode the winners of the third, fourth and fifth races, and his finish in the last named race was mainly responsible for Henry Hutchison's victory. The latter responded with splendid courage and just did manage to get up in the closing strides to beat Eaton a head.

Jockey Butwell was conspicuous during the afternoon here of the post in the Breeders' Futurity at Lexington.

from Sheepshead Bay, where he had been confined at his home with a severe cold. Cohen recently returned from England, where he has been booking since last fall.

There will be a sale of horses in training in the paddock on Monday. Among those to be sold are a draft of two-year-olds from August Belmont's stable and four of Thomas Clyde's.

A benefit performance has been announced for the flood sufferers on Tuesday night, April 15. It will be held in one of the local theatres and much of the talent will be recruited from the ranks of the race followers here. Harry D. Shaw is acting manager for the show.

Jockey Phil Musgrave has signed to ride for H. C. Hallenbeck. He will report to Frank M. Taylor at the conclusion of the Norfolk meeting.

It is said that the price of admission to the New York tracks will be \$3.00, as it was when racing was under way there three years ago.

Superintendent H. I. Pelz has a large force of men at work at Belmont Park getting the course in condition and it will be at its best on Decoration Day. The track proper already is in splendid condition. Applications for stable reom are coming in at a rate which insures a liberal supply of racing material and it is expected that the stakes will close with something like the old-time number of entries.

MONTANA DATES ARE ANNOUNCED.

Butte, Mont, April 11.—Manager H. I. Wilson of the Butte and Anaconda Jockey Clubs has announced like dates for this season's meetings at the two tracks named. The Butte meeting will begin July 3 and will run for the thirty days permitted by the Montana law, closing on August 6. It will be followed by the Anaconda meeting, which will open August 9 and continue for fourteen days, until and including August 25. Efforts are being made to lengthen the circuit by the addition of ten days at Deet Lodge and ten days at Great Falls, besides the regular State Fair meeting of six days at Helena. There is also the possibility of a meeting at Lewis. The proposed meetings, as well as the stakes and purses to be offered at Butte and Anaconda, will be made later on.

be offered at Butte and Anaconda, will be made later on.

The Butte and Anaconda meetings will be conducted with bookmaking, on the open ring plan. This community is enjoying a prosperous season and the outlook for a successful meeting is good. The payroll at the mines nowadays alone amounts to \$1,500,000 per month. The weather in this vicinity has been exceptionally adverse this spring and the horses that ordinarily are prepared here for racing over the Inter-Mountain circuit will be so backward in training that the management of the tracks will be more than ever dependant upon shipments from other parts of the country to provide the material for the racing.

GOSSIP FROM BLUE GRASS REGION.

Lexington, Ky., April 11.—T. L. Pierce and Jack Weaver will be here Monday from Latonia with eleven horses

Weaver will be here Monday from Latonia with eleven horses.

The E. R. Bradley string will be shipped here from Louisville April 21. Frank D. Weir and Lew Marion will come on the same day with their horses. Hawthorn is expected here next Tuesday, Jockey Vandusen has reported to Howard Oots. The mile track was closed today on account of heavy rain and all work was over the sand track.
